

## SEARCH

- ◆ Basic search: Enter a keyword to find matches in ALL fields: artist, album title, and single title.
- ◆ Date search: Go straight to a specific chart by putting in a date, then selecting a country and chart from that country.
- ◆ Advanced search: Enter a keyword to go straight to results for only that field, or find a specific chart date.
- ◆ A date search like no other: Selecting a recording will show its sales pattern for months or years on either side of the date. View the story of each recording with MusicID's infographics.

## RESULTS

**Three tabs:** There are three tabs, artist, album, single. Click each to view results for that field.

Click the check-boxes to select as many results as you'd like in a single tab, then click NEXT.

## LEFT SIDEBAR

Navigate your search results using the left side menu.

- ◆ Change format: Click Albums or Singles to change between those results
- ◆ Source countries: Available source countries for your search are listed here. Click a country to view its available charts (whether you see album charts or singles charts will depend on the format you selected above)
- ◆ **Peak positions:** Below the list of countries, you can limit your results by peak position, e.g. Top 10, Top 20, etc.
- ◆ Export: Save a spreadsheet of the results you are viewing with "export data"
- ◆ Want to know how far back in time a particular chart goes? Click **"View ranking inception dates"** to view a master list of our sources
- ◆ Chart date: when viewing a single chart day, you can navigate forward or back a week here.
